

MIRAVAL COVID-19 POLICY

In preparation for when we reopen our doors, our team has been establishing new safety measures and protocols in collaboration with leading health and sanitation experts. Every decision, new process, and procedure has been made with the safety of our guests and colleagues top of mind.

This is an evolving process and we will be continuing to fine-tune operations and communicate updates with you. Below are a few of the new safety measures and sanitation protocols you can expect to see during your time with us.

UPON ARRIVAL

Our airport shuttle vans will be cleaned and disinfected between each trip. We are limiting our airport arrivals and departures to four (4) guests per shuttle. You will be required to wear a mask in the shuttle and will be provided a mask if you don't have one. Each shuttle will have disinfectant wipes available. Your Miraval driver will be wearing a mask and gloves at all times as will all of our colleagues. If you are driving yourself to the resort we ask you drive directly to the arrival center or guest parking lot and we will greet you there.

Upon arrival to the resort you may notice the Miraval "I" indicator tape on the floor throughout many different areas. These represent the social distancing measures for locations such as the front desk, smoothie bar, and other areas where group gatherings or standing in line may occur.

To minimize contact during your check-in process, we ask that you fill our digital Miraval's Risk & Release form and save a copy of your Miraval itinerary (these will both be included in your pre-arrival email communication) so you do not need to sign anything at check-in.

YOUR ACCOMMODATIONS

When you arrive at your room there will be a seal on your door indicating that your room has been disinfected and sanitized. The seal will remain intact until you open the door ensuring that no one else has entered your room.

You may notice that certain items have been removed from your room including the Room Guide, paper pads, pens, and Do Not Disturb door hangers. If you do require any of these items during your stay we are more than happy to deliver them to your room. Please refer to your Miraval Guide and in room TV channels for In Room Dining menus, property contact information and mindful reminders.
